Important Information to Consider

- Aero Fees are approximately \$9,000² per semester.
- Flight Blocks (two options):
 - ◆ Monday, Wednesday, Friday
 - ◆ Tuesday, Thursday, Saturday
- Year-round flight opportunities
- Our agreement with the FAA enables our graduates to qualify for an R-ATP at 1,000 hours compared to 1,500 hours.
- A medical exam administered by an FAA Aviation Medical Examiner is required prior to flight training.
 - ◆ Students pursuing flight as a career are strongly advised to obtain a 1st class medical certificate.
- Students can complete a dual degree in Aviation Administration and Professional Pilot.
- Transfer up to a private pilot license.

² Aero fees subject to change.

Aviation Center

The Aviation Center utilizes up-to-date technology and tools to equip students with the ability to succeed in the exciting aviation environment. The Aviation Center operates 18 college-owned aircraft including a multi-engine aircraft and 3 advanced aviation training devices. Aircraft maintenance is done in house by college employees who are certified by FAA as aircraft maintenance technicians (AMTs). Flight training is also done in house (not out-sourced) by college employees who are certified by FAA as Certified Flight Instructors (CFIs). The Center has a robust software-based Safety Management System (SMS) in which students actively participate in hazard identification and risk mitigation.
